

WOULD YOU BUILD A SWIMMING POOL WHEN YOUR ROOF IS LEAKING?

**SPENDING \$200 MILLION TAXPAYER DOLLARS
FOR AN ARENA =**

- Higher taxes for you, less tax relief after revaluation raises your tax bills.
- Less services in the future when the city goes into debt, a mortgage on the city's future.
- Less money for schools, summer job programs, parks, recreation, job training, etc., etc., etc.

This secret deal was made in a back room and pushed through without ANY opportunity for taxpayers to ask questions or make comments.

SCORE (Schools, Communities, Opportunities, Revaluation Emergencies) is a citizen organization that has gone to court to stop this. For information, ~~call 1-800-368-3683~~,
